Did they promote fear, hate and division?

Rodney Palmer, a former CBC journalist, says the CBC is guilty of spreading propaganda instead of newsgathering during the pandemic.

Former Global News director, **Anita Krishna**, was fired Jan. 18, 2022, for speaking up about Covid and trying to bring truth to the news.

CANADA'S RESPONSE TO COVID-19

Investigation into what really happened

- Hear the voices of real Canadians and independent scientific, medical and legal experts.
- Investigate government's COVID-19 policies in a fair and impartial manner.
- Evaluate the social and economic costs of government's COVID-19 response.
